Marmall Contract Logistics

Since 2013, we have specialized in complementing architectural designs by providing optimal decorative solutions and accessories for your spaces.

We work with both local and international brand products that are tailored to meet each client's needs.

We value the importance of the industrial community and local craftsmanship, dedicating ourselves to discovering, understanding, and promoting the potential of our furniture, lighting, textiles, and crafts industries.

We are the designers and representatives of four brands: Capriana, Zenlight, Annam, and Naran.

In 2022, Marmall Contract Logistics (MCL) was founded as a representative of our industries, an expert company in the manufacturing of FF&E products. Since then, we have continued expanding into international markets.

We are your best CONTRACT ally. Quality and commitment in every detail
