Marmall Contract Logistics

Since 2013, we have specialized in complementing architectural designs by providing optimal decorative solutions and accessories for your spaces.

We work with both local and international brand products that are tailored to meet each client's needs.

We value the importance of the industrial community and local craftsmanship, dedicating ourselves to discovering, understanding, and promoting the potential of our furniture, lighting, textiles, and crafts industries.

We are the designers and representatives of four brands: Capriana, Zenlight, Annam, and Naran.

In 2022, Marmall Contract Logistics (MCL) was founded as a representative of our industries, an expert company in the manufacturing of FF&E products. Since then, we have continued expanding into international markets.

We are your best CONTRACT ally. Quality and commitment in every detail

M076

Sky Castle

The sofa is inspired by the Japanese animation "Castle in the Sky," exuding a dreamy and harmonious atmosphere.

Annam
Furniture

The modern-style sofa features minimalist stitching, a plump overall sponge seat. The knock-down (assemble-it-yourself) sofa design is easy to disassemble and assemble. Detachable seat and backrest make transportation more convenient, allowing for easy moving through narrow doors and staircases, suitable for various spaces.

Annam
Furniture

M006

Ostuni

Inspired by Ostuni, known as "The White City" for its unique white architecture, we designed this distinctive sofa.

The seat cushion is divided into three layers of filling. The top layer is filled with a large amount of down feathers, providing a soft and comfortable feeling, akin to being embraced by clouds. Beneath are high-resilience memory foam and environmentally friendly high-density foam, ensuring softness with adequate support, allowing for prolonged sitting without fatigue. The soft, breathable fabric and high-fill pillow aim to provide you with the ultimate soft experience.

Annam
Furniture

Urania

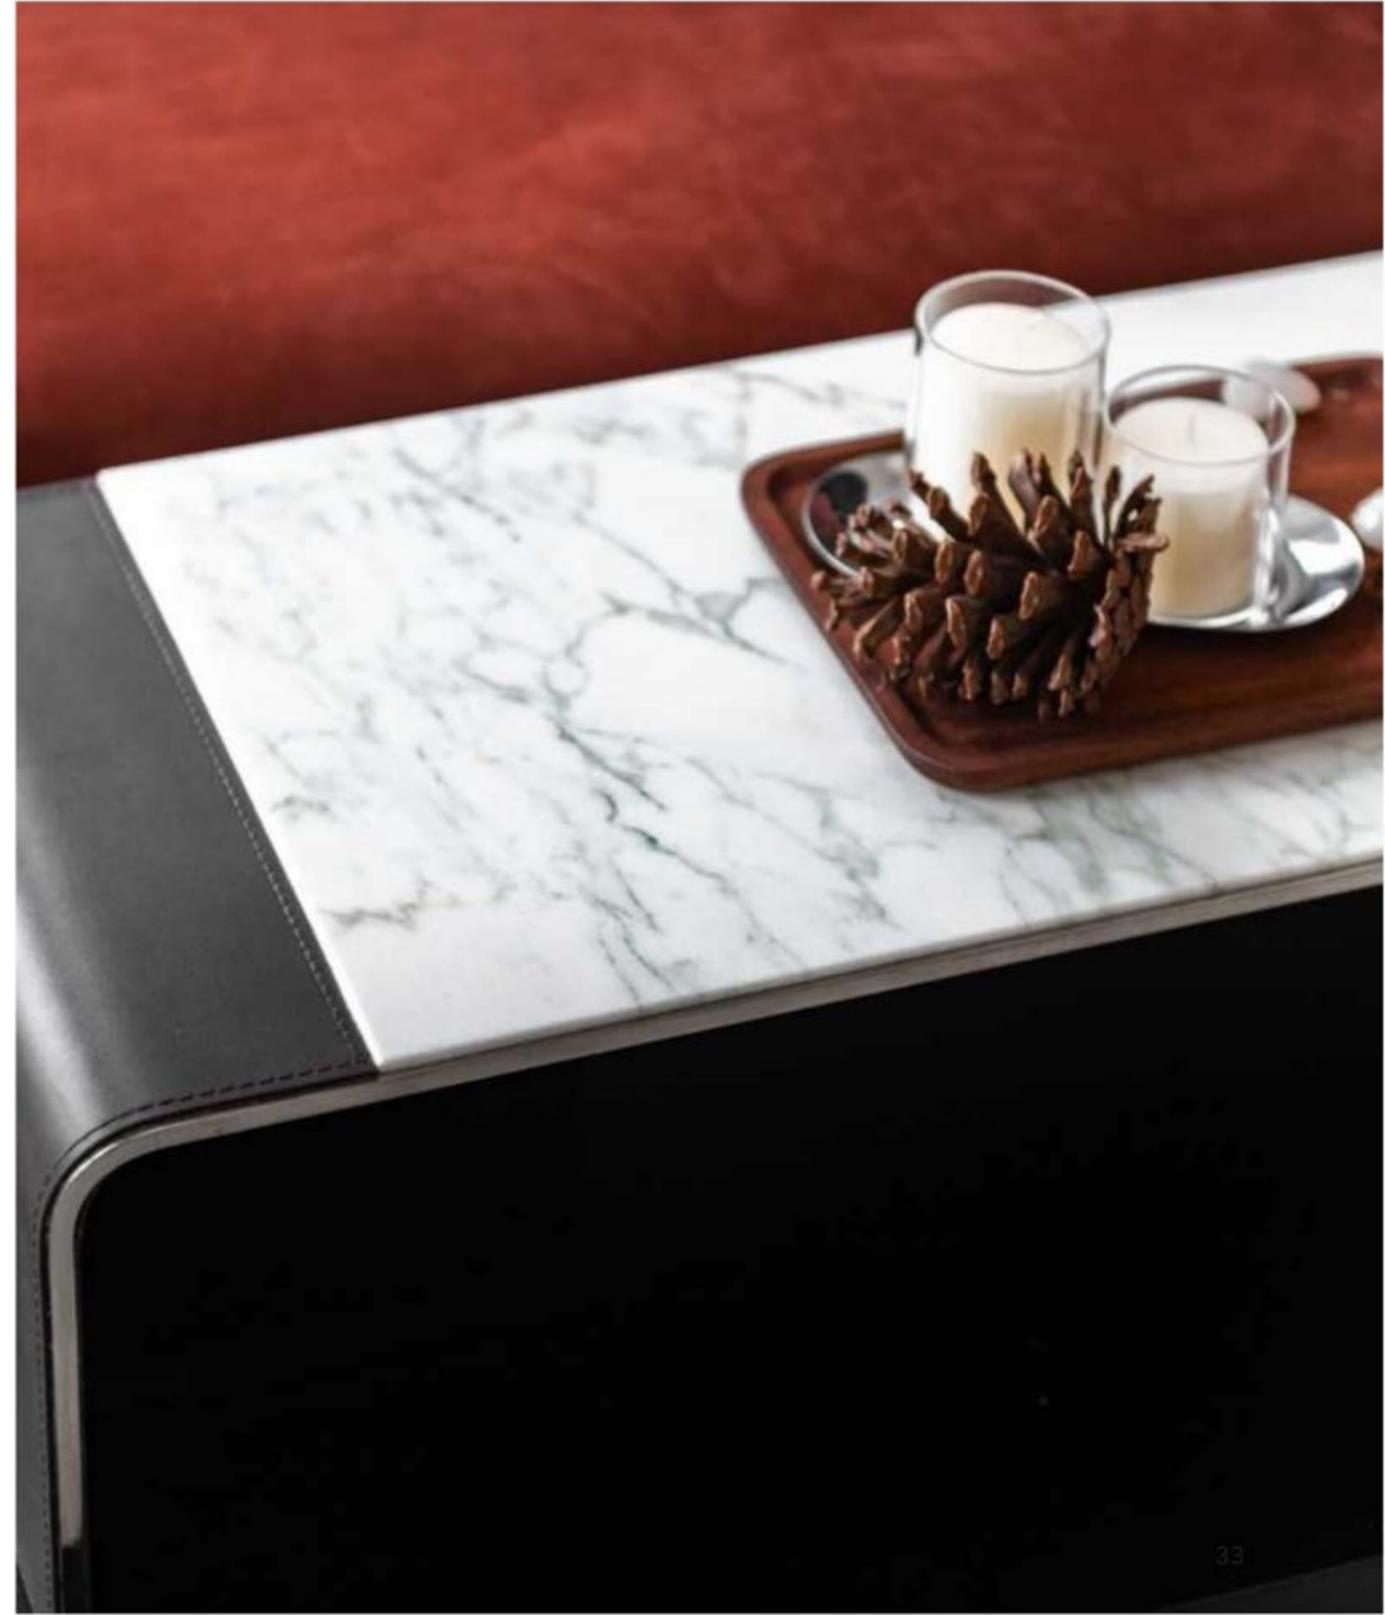

MSF03

The spacious seating area meets the needs of multiple people. The seat cushion is made of environmentally friendly high-density, high-resilience foam. What's more, the movable stainless steel side table design allows for convenient placement of small items. Using durable, breathable, and comfortable suede leather fabric, the sophisticated design is more suitable for upscale villas.

Annam
Furniture

This sofa is an original design by our Italian design team, inspired by the Greek goddess Urania, representing wisdom, courage, and creativity.

Lucien Sofa

M077

Lucien Sofa

The Lucien is a sectional sofa with a linear design, featuring geometric lines that strike a perfect balance between classicism and modernity. It is crafted with environmentally friendly high-density, high-resilience foam and feather seat cushions, along with feather throw pillows, all adorned with subtle stitching details reminiscent of the craftsmanship of tailoring, which run through all the products.

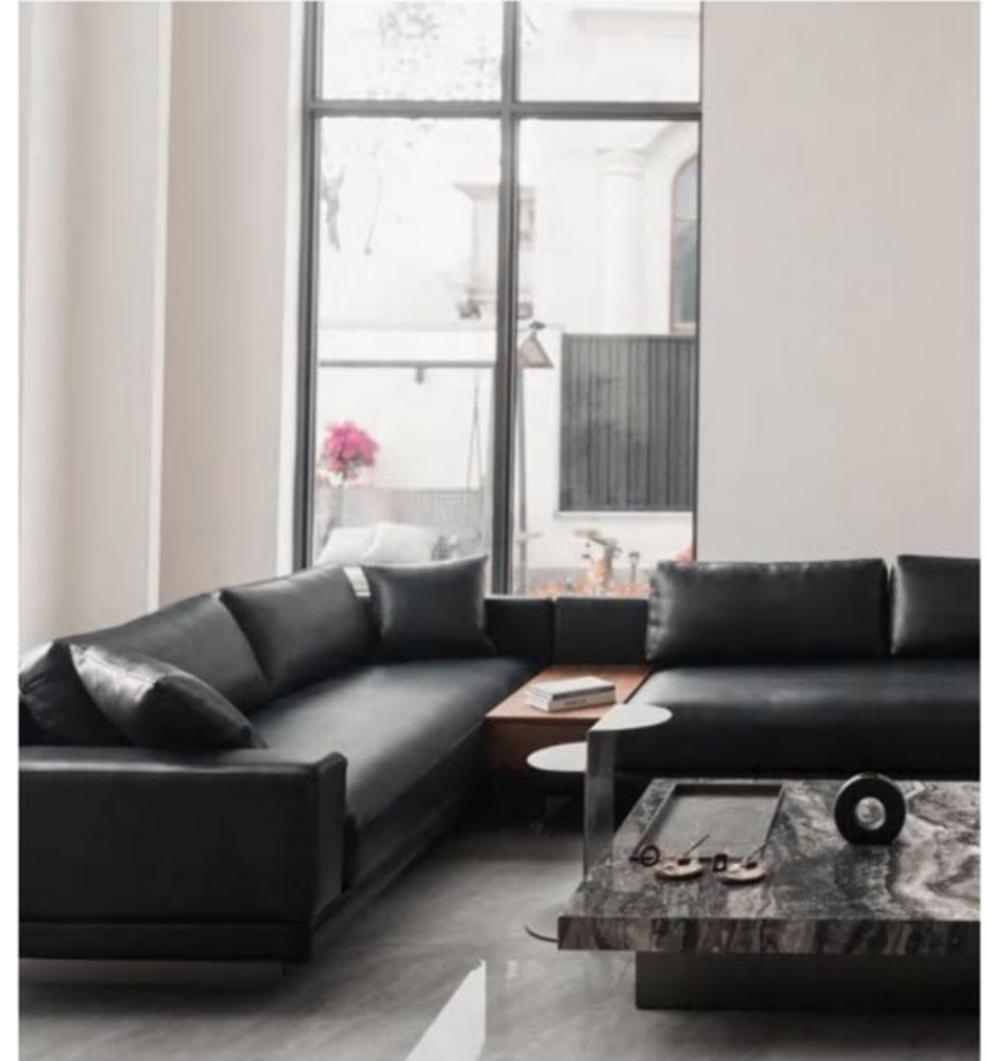

Annam
Furniture

Nyx

This sofa is inspired by the Greek mythological goddess Nyx, the goddess of the night, draped in black robes.

RC822

Crafted from eco-friendly and durable microfiber leather, its unique oversized design exudes a noble and elegant style. Supported by a sturdy Russian larch solid wood base, the seat cushion is made of environmentally friendly high-density, high-resilience foam and down feathers for added softness, complemented by high-quality stainless steel sofa legs.

Furniture

Lusail Sofa

Our designers have seamlessly integrated the distinctive form of Qatar's Lusail architecture into the product design, complementing the Chinese fondness for golden bowls, to create this modern and artistically combined sofa.

Annam
Furniture

MSF04

This sofa features solid and plump bones, with the seat cushion composed of various high-density, high-resilience, eco-friendly foam and latex foam, providing enhanced softness and comfort.

The unique curved armrest design provides excellent support for your body. Furthermore, the highlight of the hidden protective pivot in the armrest design achieves the effect of not seeing the feet from the side, enhancing the sofa's aesthetics and privacy.

Annam
Furniture

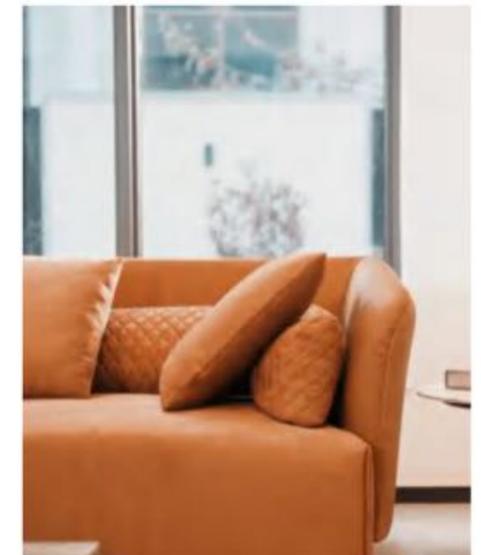

MSF05

The backrest is designed with two layers to provide excellent support for the back, with the backrest filled with ample down feathers to enhance softness and comfort. To enhance the sofa's richness, we have adopted a design combining leather and fabric. The outer backrest is made of bright leather, while the inner backrest and seat are upholstered in the same-colored suede fabric.

Grande

The name "grande" of the sofa originates from the Italian word meaning "large," indicating that this sofa is of large capacity and versatile, suitable for placement in villas or large living rooms.

Annam
Furniture

Portrait

The sofa is named after Italian luxury hotels, featuring unique lines resembling folded envelopes for a modern and stylish feel. The seat cushion frame is crafted from environmentally friendly high-density, high-resilience foam, offering comfortable seating. Exquisite craftsmanship and elegant lines showcase unparalleled elegance, providing a luxurious experience.

M070

Amalfi

This is a spacious S-shaped outdoor modular sofa, representing a classic combination of modules. The armrests are adjustable as needed. Each module can function independently, and they can even be rotated to create a double-sided sofa. Crafted with premium outdoor fabric Sunbrella, renowned for its durability and resilience, it provides protection against UV rays and water. Additionally, it is easy to clean. The seat cushion utilizes breathable foam to prevent mold growth, with an additional layer of silk floss on top for enhanced comfort.

Trapani

H840

Annam
Furniture

Trapani

The Trapani sofa is an outdoor leisure sofa, with its slender teak platform supporting comfortable outdoor cushions. The seat cushions, made of quick-dry polyurethane foam, are waterproof, moisture-resistant, and durable. The top of the seat cushion is covered with a layer of silk floss to increase its softness. The series is complemented with lounge chairs and coffee tables.

We also promote the use of fabrics with certified environmental labels and approvals from certification bodies. These certifications ensure that the fabrics meet specific environmental standards and requirements, such as the OEKO-TEX® Standard 100, Global Organic Textile Standard (GOTS), and so on.

All our furniture uses environmentally friendly and non-toxic foam, using "E0" grade adhesive, meeting international export standards. Not only does it exhibit excellent adhesive properties, but it is also safe, odorless, and harmless to human health and air quality.

Animals Protection We firmly refuse to use any materials that cruelly kill animals in the making of our furniture. We advocate and are committed to using sustainable and harmless alternative materials such as faux leather and recycled fibers. We firmly believe that every piece of furniture should harmoniously coexist with nature.

FSC® Certified Wood

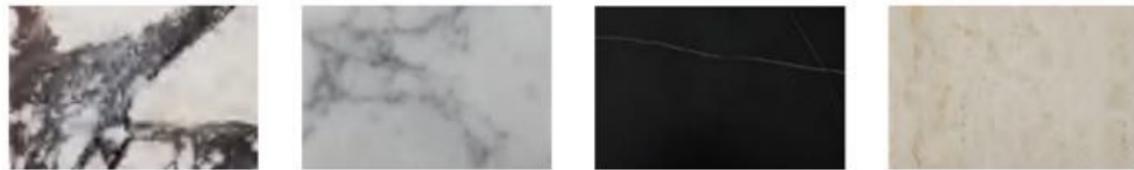

Our furniture uses FSC® certified wood products. These wood suppliers have sustainable larch or other forest management systems that ensure the ecosystem is not harmed.

Black Oak Veneer Walnut Veneer Ash Veneer With Ivory White Ash Veneer Color Finish White Oak Veneer

Natural Marble

Natural marble features unique textures and colors. After polishing, its surface becomes smooth and delicate, with a dense texture and low water absorption rate. It exhibits good resistance to high temperatures, strong durability, and wear resistance, ensuring long-term use without easy wear. With a wide range of colors, it can meet various decoration styles and needs.

Viola Marble Arabescato Corchia Black Pietra Travertine

White Marble White Carrara Marble

Recyclable Fabric

Our sustainable fabrics are free of toxic substances such as formaldehyde and carry the STANDARD 100 by OEKO TEX® label for safe use. A variety of fabric options, such as anti-cat scratch series, outdoor series, velvet series, biodegradable series etc.

COLOR-102 COLOR-110 COLOR-130 COLOR-131 COLOR-186

Breathability and skin-friendly feel are crucial indicators for assessing high-quality furniture. We have stringent criteria for selecting furniture fabrics, opting for premium recycled fabrics and environmentally friendly eco-leather. The former promotes the concept of "carbon neutrality," while the latter uses minimal coatings, offering both comfort and ecological friendliness.
